

Peter Milburn
Deputy Minister
BC Ministry of Transportation and Infrastructure

Peter Milburn has a B.A.Sc. in Civil Engineering from the University of British Columbia. In 1983, he started with the Ministry of Transportation and Infrastructure as an Engineer-in-Training.

Peter's career has seen him work in all areas of the province and in a variety of positions, including district manager in four districts, regional director and executive director of the Sea-to-Sky Highway Improvement Project.

In September 2005, Peter moved to Victoria to become the Assistant Deputy Minister of the Highways Department and soon after was promoted to Chief Operating Office. In January, 2009, Peter was appointed Deputy Minister of Transportation and Infrastructure.

In 2010, Peter became chair of three Hospital Capital Boards; the Children's and Women's Hospital Redevelopment, the Interior Heart and Surgical Centre/Kelowna Vernon Hospitals Projects and the Surrey Memorial Hospital Critical Care Tower. On April 1, 2010 Peter was appointed Chair of British Columbia Railway Company.
